Over the past few months we have added some new members to the management team. Sonya Lopez is the building's new Senior Property Manager and Janelle Hjelmstad joined the team in June as the Property Administrator. Sonya has spent over 20 years in commercial real estate working for various organizations such as McCourt Broderick, Dolphin Partners, Inc., and Equity Office Properties to name a few. Janelle graduated from the University of Oregon and has worked in both administration and customer service for over 10 years. We welcome them both to the team!
